## Know Your Rights

1. You are allowed to be on the property.
2. You are allowed to collect signatures.
3. You are allowed to open carry or concealed carry.
4. You are allowed to talk with people that are there to vote.
5. Michigan Constitution Article I Section 3 protects your right to peacefully assemble, petition the government for a redress of grievances, consult for the common good, instruct your representatives. Our Election Day efforts to collect signatures fall under all of that.

*"The people have the right peaceably to assemble, to consult for the common good, to instruct their representatives and to petition the government for redress of grievances."*

6. US Constitution First Amendment protects the right of people to assemble and petition the government for redress of grievances. Our Election Day efforts are covered by that.

*"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."*
